Content Team Graphic Designer, Institute Innovation Council

EXPERIENCE

Graphic Designer ► IIC Society, Delhi, India

Feb 2022 - Present

As a graphic designer in the content team at IIC Society, I had the opportunity to apply my creative skills and contribute to the organization's visual communication efforts. Working in this role provided me with valuable experience and helped me develop my design abilities.

Software Engineering Virtual Experience Program ► Walmart Global Tech, Delhi

Jul 2023

I worked on real-world projects that allowed me to apply my knowledge of UML, SQL, and Java to solve complex challenges. Using UML, I created comprehensive diagrams to visualize software designs, ensuring efficient communication and collaboration within the team.

The virtual experience provided by Walmart Global Tech was both immersive and dynamic. I engaged with interactive modules and virtual simulations that closely resembled real-world scenarios.

EDUCATION

High School ► Kendriya Vidyalaya, Delhi

Apr 2016 - Mar 2017

Intermediate ► Kendriya Vidyalaya, Delhi

Apr 2019 - Feb 2020

At **Kendriya Vidyalaya**, I received a comprehensive education that prepared me for academic and personal growth. The school provided a rigorous curriculum, fostering critical thinking, problem-solving skills, and effective communication. I actively participated in various extracurricular activities, including clubs and sports teams, which helped develop my leadership, teamwork, and time management abilities.

Bachelors of Computer Applications ► Maharaja Surajmal Institute, Delhi Nov 2021 - Pursuing

As a BCA student at Maharaja Surajmal Institute, I understand the significance of staying updated with the latest advancements in the field of computer science. I am proactive in seeking out opportunities for self-improvement and expanding my knowledge beyond the academic curriculum. Whether it is through attending workshops, participating in online courses, or engaging in personal projects, I am committed to continuous learning and staying abreast of emerging technologies and industry trends.
